

SUPPLY CHAIN POLICY

Gentle Metal Limited observes highest ethical standards and best practices in carrying out business. We and our valued counterparties are mutually committed to act to attain a conflict free supply chain. Our company is committed to comply with the responsible sourcing of precious metals guidance issued by the OECD, DMCC and the LBMA. As a part of our responsibility, Gentle Metal Limited is committed to:

1. Neither gain nor be a part of, assist and facilitate any transactions arising from serious abuses such as inhuman and degrading practices, force and child labor, any forms of human rights violations and all forms of criminal activities.- Immediately discontinue dealing with our suppliers where we identify a reasonable risk that their source are from, or linked to, any party committing serious abuses as defined above.
2. Not tolerate any of its suppliers which directly or indirectly support non-state armed groups through the extraction, transport, trade, handling or export of minerals which includes, but is not limited to, procuring minerals from, making payments to or otherwise providing logistical assistance or equipment to, non-state armed groups or their affiliates who:
 - i) Illegally control mine sites or otherwise control transportation routes, points where minerals are traded and upstream actors in the supply chain; and/or
 - ii) Illegally tax or extort money or minerals at points of access to mine sites, along transportation routes or at points where minerals are traded; and/or
 - iii) Illegally tax or extort intermediaries, export companies or international traders.

-Not to accept and directly discontinue transactions with upstream suppliers which were identified as high risk due to involvement and or participation in any of the above mentioned points.

3. Contribute and participate in the promotion of Responsible Sourcing of Precious Metals to our suppliers by:
 - i) Creating a long term association with suppliers and established strong relationship with our customers.
 - ii) Supporting our suppliers of gold to adhere with the provision of this policy and encourage them to impart or convey it to its staff and their supply chain.
 - iii) Disseminating the precious metal gold guidance by local and international bodies in which this policy was created such as the DMCC, LBMA and OECD.
